general miserableness all over,
There is no boubt about the advice being good, out how many of the suffering thousands can follow it? Not one in twenty! The clergyman who keeps together a large congregation; the man that manages an important busines; the poor man with his family to support, as well as the wife who presides over the rich man's household, teeing that everything is complete and in order; or the mother who cannot afford a nurse, and is broken up by a fre'jui baby, must all go on, notwithstanding the advice to KEEP QUIET A FEW DAYS.

What then are you to do? To go on seems certain death And drop Hartel Edison Mt. Gilead.... all cares one cannot ; the road looks dark, but 'tis before day. Will and dark, but 'tis before day.
